

Lake Life

For Members of the Baboosic Lake Association
August 2008 Edition

August Social Events

On August 9th there will be the second Ice Cream Social of the summer. Ice cream will be served from 6 to 8 pm at the usual location, the Sullivan's dock. Look for the sign or the long line of boats waiting. Walk-ins are also welcome. The Annual Cookout (rain or shine), will be held on Saturday, August 23rd from 12 to 4 pm at Camp Young Judea. Once again, weather will not be an issue. If the weather is nice, we will be down on the beach. If not, the event will be held indoors at the dining hall in Camp Young Judea. This year's cookout will be catered by Barbecue Plus. Please see the enclosed flysheet for all of the cookout details. We'll have the usual assorted sodas, juice boxes and bottled water to quench your thirst. Also, there will be a craft table for the kids. If you would like to help us out by donating a new item for the raffle table at the cookout, please contact Ellen Fallon at 673-6399 or just bring the item with you to the cookout that day.

Water Quality

On the next page you will find the water quality results. Please note the sites of Greenwood/Lakeside and Oliver's Pipe tested extremely high and Washer's Cove was close to the maximum limit of 88pp1. All three sites were retested and the results for Greenwood/Lakeside were 4pp1, Oliver's Pipe was 9pp1, and Washer's

Cove was 11pp. At the Greenwood/Lakeside and Oliver's Pipe areas, a family of ducks and a gaggle of geese, 24 in total, have been hanging around those areas. Remember it is very important not to let the waterfowl hang around your swim areas because they defecate repeatedly through out the day, raising the e-coli levels tremendously. So keep them moving along.

E-coli Water Testing

July 2008		
Location	Map Code	E-coli count
Hillside	1	16
4 Seasons	2	59
Greenwood/Lakeside	3	345
Oliver's Pipe	4	687
Carter Road	5	16
Jebb Road	6	23
Far Cove	7	34
Seagull Heaven	8	20
Washer Cove	9	83
Moonbeam	10	30
Amherst Town Beach	11	49

****Please note- counts higher than 88ppl will be retested. We'll keep you updated!****
Also, please remember not to feed the ducks and geese. Their waste contributes to higher e-coli counts!

Secchi Disk Readings in Meters

DATE	SHARKS TOOTH	CENTER	WASHER COVE	CLARK ISLAND	WATER TEMP	AIR TEMP	SKY
5/28/08	2.8 – 3.3	3.2 – 3.8	3.2 – 3.4	3.0 – 3.6	66°	70°	CLEAR
